

(A) After gross contributions are allocated among the participants under 11 CFR 9034.8(c)(7), the fundraising representative shall calculate each participant's share of expenses based on the percentage of the total receipts each participant had been allocated. To calculate each participant's net proceeds, the fundraising representative shall subtract the participant's share of expenses from the amount that participant has been allocated from gross proceeds.

(B) A participant may only pay expenses on behalf of another participant subject to the contribution limits of 11 CFR part 110. See also 11 CFR 9034.4(b)(6).

(C) The expenses from a series of fundraising events or activities shall be allocated among the participants on a per-event basis regardless of whether the participants change or remain the same throughout the series.

(ii) If participating committees are affiliated as defined in 11 CFR 110.3 prior to the joint fundraising activity or if participants are party committees of the same political party, expenses need not be allocated among those participants. Payment of such expenses by an unregistered committee or organization on behalf of an affiliated political committee may cause the unregistered organization to become a political committee.

(iii) Payment of expenses may be made from gross proceeds by the fundraising representative.

(9) *Reporting of receipts and disbursements*—(i) *Reporting receipts*. (A) The fundraising representative shall report all funds received in the reporting period in which they are received. Each Schedule A filed by the fundraising representative under this section shall clearly indicate that the contributions reported on that schedule represent joint fundraising proceeds.

(B) After distribution of net proceeds, each participating political committee shall report its share of net proceeds received as a transfer-in from the fundraising representative. Each participating political committee shall also file a memo Schedule A itemizing its share of gross receipts as contributions from original contributors to the extent required under 11 CFR 104.3(a).

(ii) *Reporting disbursements*. The fundraising representative shall report all disbursements in the reporting period in which they are made. Each participant shall report in a memo Schedule B his or her total allocated share of these disbursements in the same reporting period in which net proceeds are distributed and reported and include the amount on page 4 of Form 3-P, under "Expenditures Subject to Limit."

§9034.9 Sale of assets acquired for fundraising purposes.

(a) *General*. A candidate may sell assets donated to the candidate's authorized committee(s) or otherwise acquired for fundraising purposes (See 11 CFR 9034.5(c)(2)), subject to the limitations and prohibitions of title 2, United States Code and 11 CFR parts 110 and 114.

(b) *Sale after end of matching payment period*. A candidate whose outstanding debts exceed his or her cash on hand after the end of the matching payment period as determined under 11 CFR 9032.6 may dispose of assets acquired for fundraising purposes in a sale to a wholesaler or other intermediary who will in turn sell such assets to the public, provided that the sale to the wholesaler or intermediary is an arms-length transaction. Sales made under this subsection will not be subject to the limitations and prohibitions of title 2, United States Code and 11 CFR parts 110 and 114.

PART 9035—EXPENDITURE LIMITATIONS

Sec.

9035.1 Campaign expenditure limitation.

9035.2 Limitation on expenditures from personal or family funds.

AUTHORITY: 26 U.S.C. 9035 and 9039(b).

SOURCE: 56 FR 35491, July 29, 1991, unless otherwise noted.

§9035.1 Campaign expenditure limitation.

(a)(1) No candidate or his or her authorized committee(s) shall knowingly incur expenditures in connection with

the candidate's campaign for nomination, which expenditures, in the aggregate, exceed \$10,000,000 (as adjusted under 2 U.S.C. 441a(c)), except that the aggregate expenditures by a candidate in any one State shall not exceed the greater of: 16 cents (as adjusted under 2 U.S.C. 441a(c)) multiplied by the voting age population of the State (as certified under 2 U.S.C. 441a(e)); or \$200,000 (as adjusted under 2 U.S.C. 441a(c)).

(2) The Commission will calculate the amount of expenditures attributable to the overall expenditure limit or to a particular state using the full amounts originally charged for goods and services rendered to the committee and not the amounts for which such obligations were settled and paid, unless the committee can demonstrate that the lower amount paid reflects a reasonable settlement of a bona fide dispute with the creditor.

(b) Each candidate receiving or expecting to receive matching funds under this subchapter shall also allocate his or her expenditures in accordance with the provisions of 11 CFR 106.2.

(c)(1) A candidate may exclude from the overall expenditure limitation of 11 CFR 9035.1 an amount equal to 10% of all salaries and overhead expenditures as an exempt legal and accounting compliance cost under 11 CFR 100.8(b)(15). For purposes of this section overhead expenditures include, but are not limited to rent, utilities, office equipment, furniture, supplies, and telephone base service charges as set forth at 11 CFR 106.2(b)(2)(iii)(A).

(i) If the candidate wishes to claim a larger compliance exemption for any person, the candidate shall establish allocation percentages for each individual who spends all or a portion of his or her time to perform duties which are considered compliance. The candidate shall keep detailed records to support the derivation of each percentage. Such records shall indicate which duties are considered compliance and the percentage of time each person spends on such activity. Alternatively, the Commission's Financial Control and Compliance Manual for Presidential Primary Candidates contains some other accepted allocation methods for calculating a compliance exemption.

(ii) Exempt compliance costs are those legal and accounting costs incurred solely to ensure compliance with 26 U.S.C. 9031 *et seq.*, 2 U.S.C. 431 *et seq.*, and 11 CFR ch. I, including the costs of preparing matching fund submissions and the costs of producing, delivering and explaining computerized information and materials provided pursuant to 11 CFR 9033.12 and explaining the operation of the computer system's software. The costs of preparing matching fund submissions shall be limited to those functions not required for general contribution processing and shall include the costs associated with: Generating the matching fund submission list and the matching fund computer tape or other form of magnetic media for each submission, edits of the contributor data base that are related to preparing a matching fund submission, making photocopies of contributor checks, and seeking additional documentation from contributors for matching purposes. The costs associated with general contribution processing shall include those normally performed for fundraising purposes, or for compliance with the recordkeeping and reporting requirements of 11 CFR part 100 *et seq.*, such as data entry, batching contributions for deposit, and preparation of FEC reports.

(2) A candidate may exclude from the overall expenditure limitation of 11 CFR 9035.1 the amount of exempt fundraising costs specified in 11 CFR 100.8(b)(21)(iii).

(d) The expenditure limitations of 11 CFR 9035.1 shall not apply to a candidate who does not receive matching funds at any time during the matching payment period.

§ 9035.2 Limitation on expenditures from personal or family funds.

(a)(1) No candidate who has accepted matching funds shall knowingly make expenditures from his or her personal funds, or funds of his or her immediate family, in connection with his or her campaign for nomination for election to the office of President which exceed \$50,000, in the aggregate. This section shall not operate to prohibit any member of the candidate's immediate family from contributing his or her personal funds to the candidate, subject to

the limitations of 11 CFR part 110. The provisions of this section also shall not limit the candidate's liability for, nor the candidate's ability to pay, any repayments required under 11 CFR part 9038. If the candidate or his or her committee knowingly incurs expenditures in excess of the limitations of 11 CFR 110.8(a), the Commission may seek civil penalties under 11 CFR part 111 in addition to any repayment determinations made on the basis of such excessive expenditures.

(2) Expenditures made using a credit card for which the candidate is jointly or solely liable will count against the limits of this section to the extent that the full amount due, including any finance charge, is not paid by the committee within 60 days after the closing date of the billing statement on which the charges first appear. For purposes of this section, the *closing date* shall be the date indicated on the billing statement which serves as the cutoff date for determining which charges are included on that billing statement.

(b) For purposes of this section, the term *immediate family* means a candidate, spouse, and any child, parent, grandparent, brother, half-brother, sister, or half-sister of the candidate, and the spouses of such persons.

(c) For purposes of this section, *personal funds* has the same meaning as specified in 11 CFR 110.10.

(3) The candidate shall submit a full-size photocopy of each check or written instrument and of supporting documentation in accordance with 11 CFR 9034.2 for each contribution that the candidate submits to establish eligibility for matching funds. For purposes of the threshold submission, the photocopies shall be segregated alphabetically by contributor within each State,
